

R.4 COMPASSION COAST » TO » COAST 2018

Ride for Compassion is a challenging 4300km team ride across inland Australia to raise money for highly vulnerable children through Compassion Australia.

Come meet the team and hear their incredible stories!

rideforcompassion.com

This year our incredible team will be riding 4300km from the beautiful beaches of Western Australia to the bustling east coast city of Newcastle.

All riders are fundraising for Compassion Australia's Highly Vulnerable Children fund to protect children living in high-risk situations.

The team will be stopping at towns along the way to share about their desire to help children living in poverty. We'd love you to come!
